

Drinkies Player of the Season Award..

Katameya Dunes is pleased to announce the Drinkies Player of the Season. In the same way that the player of the year has been run, with players collating points depending on their finishing position, the new look 'Drinkies Player of the Season' will run in that way. The players, both Ladies and Men and in both Net and Gross categories, with the most OOM points at the end of the season, will be crowned player of the season. Each will receive prizes courtesy of Drinkies.
