MercedesTrophy 2015

Egypt National Qualifications

60,000 participants worldwide. Are you one of them?

Over decades golf has grown to become an integral part of Mercedes-Benz engagements in sport. Besides our partnership with the Masters, the PGA Championship and The Open Championship, Mercedes-Benz is very proud to provide the most fascinating premium amateur golf series to dedicated golfers worldwide.

To share our passion for golf with you in 2015, we would like to invite you to participate in the MercedesTrophy Egypt qualifications and to become part of the Mercedes-Benz golf family. The lucky winners will qualify to the Egyptian National Final in May and have the chance to qualify for the MercedesTrophy World Final held in October 2015 in Stuttgart, the birthplace of the automobile and headquarters of Mercedes-Benz.

In addition, we are very pleased to offer you the opportunity to take part in the special competition 'Drive to the Major' played during the MercedesTrophy Egypt National Final. All participants get the unique chance to win a spot in the "Monday After Event" played directly after The Open Championship at St. Andrews, the home of golf and the same course where all golf professionals have played the day before for the Claret Jug!

Furthermore, the MercedesTrophy is offering new additions to the prize table in 2015. Information concerning the prizes, competition rules and the qualifiers dates are attached for your reference.

Also, please find the registration form for qualification attached. We kindly ask you to let us know as soon as possible if you would like to participate. Please understand that this invitation is not transferable.
