

Drinkies continues to support the 2016/2017 Dunes Monthly Medals and The Drinkies Player of the Season..

Katameya Dunes is delighted to announce that Drinkies, Egypt's leading on line beverage store, will continue to sponsor the 2016/2017 Monthly Medal series. The monthly medals are the backbone of a clubs tournament calendar. The popular events that are open to members and guests, run from September 2016 to June 2017. Drinkies support for these events will offer vouchers for the top placed members in the three categories, in any of the Drinkies stores.

Furthermore, we are pleased to announce that Drinkies Player of the Season will continue as well through out the season.

In the same way that the player of the year has been run, with players collating points depending on their finishing position, the Drinkies Player of the Season' is run in that way. The players, both Ladies and Men and in both Net and Gross categories, with the most OOM points at the end of the season, will be crowned player of the season. Each will receive prizes courtesy of Drinkies.
