Drinkies, Egypt's leading online beverage store, continues to sponsor the 2019/2020 Monthly Medal series. The popular events that are open to members and guests, run from September 2019 to June 2020. Drinkies support for these events are vouchers for the top placed members in the three categories, in any of the Drinkies stores.

Furthermore, we are pleased to announce that Drinkies Player of the Season will continue as well through out the season.

In the same way that the player of the year has been run, with players collating points depending on their finishing position, the Drinkies Player of the Season' is run in that way. The players, both Ladies and Men and in both Net and Gross categories, with the most OOM points at the end of the season, will be crowned player of the season. Each will receive prizes courtesy of Drinkies.
